Grand Prix Multipurpose Cleaner

Description: Grand Prix multipurpose cleaner cleans just about everything so easily that could be used almost every day. Its advance formula tackles smudges and tough messes.

Applications: Use full strength or dilute as needed. Test surface before use. Spray on surface and allow sitting for 1-2 minutes. Rinse or wipe, clean with damp sponge or cloth. Do not allow product to dry on surface before rinsing. For HEAVY CLEANING purposes use full strength on hard to remove marks but test surface compatibility first.

Features	Advantages	Benefits
<ul style="list-style-type: none"> - Advanced formula with carnauba wax. - Non-abrasive cleaner - Leave surfaces clean and protected. 	<ul style="list-style-type: none"> - Can be applied in almost any surface. - Useful for heavy cleaning or general cleaning - Can be used inside or outside the house 	<ul style="list-style-type: none"> - Good for households, floors, bathtubs, tiles, kitchen, restaurants, BBQ & patio, automotive, mechanical, marine, and more.
